

2009 MILL AND OVERLAY PROGRAM

The 2009 Mill and Overlay Program consists of isolated curb and gutter removal and replacement, crack repairs, and bituminous milling and bituminous overlay in three areas of the City. The areas currently scheduled for mill and overlay are as follows:

North of 117th Avenue, east of Emery Village townhomes and west of Winnetka Avenue. The streets include Texas Avenue, Utah Avenue, Virginia Avenue and 118th Place and adjoining cul-de-sacs

Xenia Avenue between 113 ½ Avenue and West River Road

Mississippi Drive between Welcome Avenue and the north end

The bids were approved for this project on July 27, 2009 and construction began on August 24, 2009. The Public Information Meeting is currently scheduled for October 7, 2009, with the Assessment Hearing to follow on October 13.

Any questions should be directed to Tim Hanson, City Engineer, at 763/923-7105.
