Do you have a competitive spirit? Do you want a fun and easy way to get in shape this spring? If so, then the four-week Step To It Challenge from **May 17-June 13** is for you!

Get active with your community! The Step To It Challenge is a fun, light-hearted way to connect with family, friends, and neighbors and get moving again after a long winter. Sixteen cities will compete to see which one has the most active residents. Participants from each city will have a chance to be honored by Hennepin County and the Minnesota Twins at a Twins home game during the 2010 season.

How does it work?

As a Step To It participant, you will keep an ongoing total of the steps you take during the challenge. Using an activity conversion chart other activities such as biking, skateboarding, Tai Chi, or even just mowing the lawn can also count toward overall steps. A web site will allow you to record your steps online, or your step total can be called or faxed in. Best of all, it's FREE!
