

2010 Mill and Overlay Program

Plans and Specifications for the 2010 Mill and Overlay Program for the Linwood Forest and Forest Park Heights areas were ordered on May 24, 2010 and were approved on June 28, 2010.

This work includes the reclamation of the bituminous pavement on Wellington Circle, Linwood Forest Drive, and portions of Linwood Forest Circle and Yorktown Lane. Milling of bituminous pavement will be completed on the remaining portions of Linwood Forest Circle, and Yorktown Lane and on 133rd Circle, 134th Circle and 135th Circle. The project also includes storm sewer extension along Linwood Forest Drive and Yorktown Lane.

The project is scheduled for completion in October 2010.
