Father Hennepin Festival

Historians report Champlin is the site where Father Louis Hennepin first crossed the Mississippi River in 1680. Today, the community celebrates its heritage with the annual Father Hennepin Festival.

Each year on the 2nd weekend in June, a three-day community celebration is kicked off with a parade, amusement rides and live music. Family, youth and adult activities run all weekend long, and culminate with a reenactment of Father Louis Hennepin crossing the Mississippi River.

Volunteers Needed!

The Father Hennepin Festival is always looking for volunteers. Whether it be on the festival committee or as a parade volunteer, there are many areas of need for a helping hand. Please contact Andy Singleton at 763-923-7193 or email asingleton@ci.champlin.mn.us.

Why Become a Sponsor?

Sponsorship is a critical element in the success of our community festival. Without the generous support of local businesses like yours, our community celebration could not continue to provide quality programming.

We are very excited to have a Father Hennepin Festival Sponsorship Program. Through this program, you are encouraged to support our community celebration and take pride in our local event. In addition to doing something great for the community, you will receive advertising and exposure for your club or business.

There are three levels at which you can participate, Gold, Silver and Bronze. Each level represents a different degree of commitment and allows businesses of all sizes to participate.

How to Get Involved!
