

**Be Part of the Champlin ERC/Great Shingle Creek Watershed  
Earth Day Clean-up Event**

**Thursday, April 27<sup>th</sup>  
5 p.m. Kick-off Event  
Andrews Park**

Litter lining area streambanks has a negative impact on our water quality but by simply picking up this litter we can make a direct and positive impact on our water quality. If you would like to help out with the 2017 Clean-up Project contact the City today to register!

The event will kick-off at Andrews Park and volunteers will be dispersed from there. We plan to clean-up Mississippi Point Park, Chandler Park, Veterans Memorial Park, Galloway Park, the trail/wetland located behind Target and more!

We will provide trash bags and collection tongs. We ask that you bring your own gloves. It's advised that you wear long pants and closed toe shoes.

If the weather prevents us from holding the event on April 27<sup>th</sup> we have planned an alternate date of May 4<sup>th</sup> at 5 p.m. at Andrews Park.

To register yourself or your service club contact the City Clerk at [Clerk@ci.champlin.mn.us](mailto:Clerk@ci.champlin.mn.us) or 763-923-7111.
