

LifeTime Fitness Partnership

In 2000, the City of Champlin and Life Time Fitness established one of the first of its kind public-private partnership. This collaboration allows Champlin residents to access the first-rate recreational facility without being a member at a reduced daily fee. The relationship has served as a model for other cities.

The 60,000 square foot fitness center, adjacent to the Champlin Ice Forum, is privately owned and operated by Life Time Fitness. At the facility, Lifetime offers an indoor pool, two gyms, an aerobics room, and over 100 pieces of cardiovascular equipment and training machines.
