# Welcome to Champlin

## Dear Residents,

As Mayor of the City of Champlin, I invite you to review this guide with an open mind for things to do and places to visit in Champlin. Our park system has been designed to fulfill the recreational needs of various age groups through our numerous playgrounds, facilities, walking trails, and countless acres of natural beauty.

As a river community, our history shows just how much a city can bloom from the opportunities a resource like the Mississippi provides. Currently, the riverfront is being redeveloped to better serve the City; it will bring visitors from across the region to Champlin for dining, entertainment, and outdoor recreation opportunities. The Mill Pond Restoration Project has extended trail connections to key points in the community, creating new opportunities for residents to recreate in the area. City Council is dedicated to the future of Champlin and motivated to make our community the best it can be. It's our place to live!

Every day, more families are calling Champlin home. Whether home means the market rate apartment building along the river or the City's exciting new single-family developments, we value the opportunity to see new faces around our beautiful City.

Champlin is protected by a dedicated public safety team consisting of the Champlin Police Department and the Anoka-Champlin Fire Department. City Council made a unanimous decision in 2023 to add officers to support an ongoing commitment to stay tough on crime in Champlin by bolstering citywide coverage. This will uphold the City's vision of safe and thriving communities as well as our mission to provide stability and security for all.

On behalf of the City Council, I welcome your inquiries about the City and its economic opportunities, recreational amenities, and housing choices. The City Council can be reached at [email@ci.champlin.mn.us](mailto:email@ci.champlin.mn.us) or 763-421-8100. Visit the City webpage at [ci.champlin.mn.us](http://ci.champlin.mn.us) and social media sites for regular updates and important community information. #LIVChamplin

Kind Regards,

Ryan Sabas, Mayor

## Champlin Historical Society

The Champlin Historical Society (CHS) has been active in preserving Champlin's rich history. A project near and dear to the CHS is preserving the Historic Dunning School. Located on West River Road near 109th Avenue, the schoolhouse has stood on its original site for over 140 years. Donations and memorials are always welcome, as the CHS is a nonprofit with much work to do!

Local community clubs are invited to contact the Historical Society to set up a group tour.

Membership in the CHS fluctuates between 20-40 active members, with corporate, single, and family memberships available. Meetings are held monthly at City Hall.

## Mississippi Bridge

Constructed in 1884, the Anoka-Champlin Bridge was the first structural span of the Mississippi River between Anoka and Champlin.

The original bridge consisted of four steel spans with a wooden deck measuring eighteen feet wide. One of the spans could rotate, allowing for the passage of steamboats and other large vessels. The bridge's wood decking limited traffic capacity, and individuals received a fine of ten dollars if they crossed at a pace faster than a brisk walk.

In 1929, a new bridge replaced the old steel structure.

# CHAMPLIN History

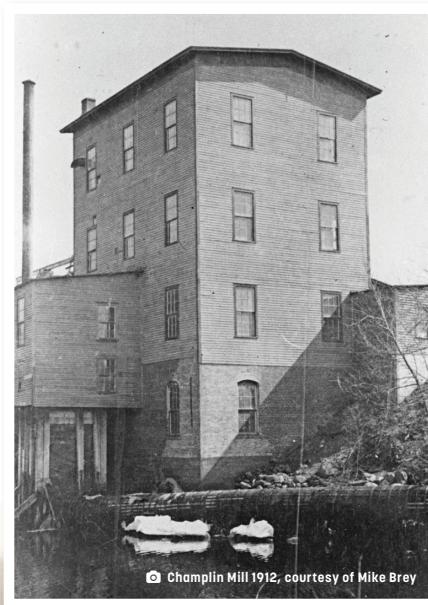

**TWO RIVERS, THE RUM AND THE MISSISSIPPI**, played an integral part in the area's settlement. Father Louis Hennepin first visited this area in 1680 and settlers came to stay in 1844. Prior to the 1800s, the area surrounding Champlin and Anoka was claimed by the Dakota, but later the Ojibwe pushed the Dakota westward across the Mississippi.

The Township of Marshall was organized in 1858 and a year later, Marshall reorganized into two townships, Champlin and Dayton, and the Champlin post office was established.

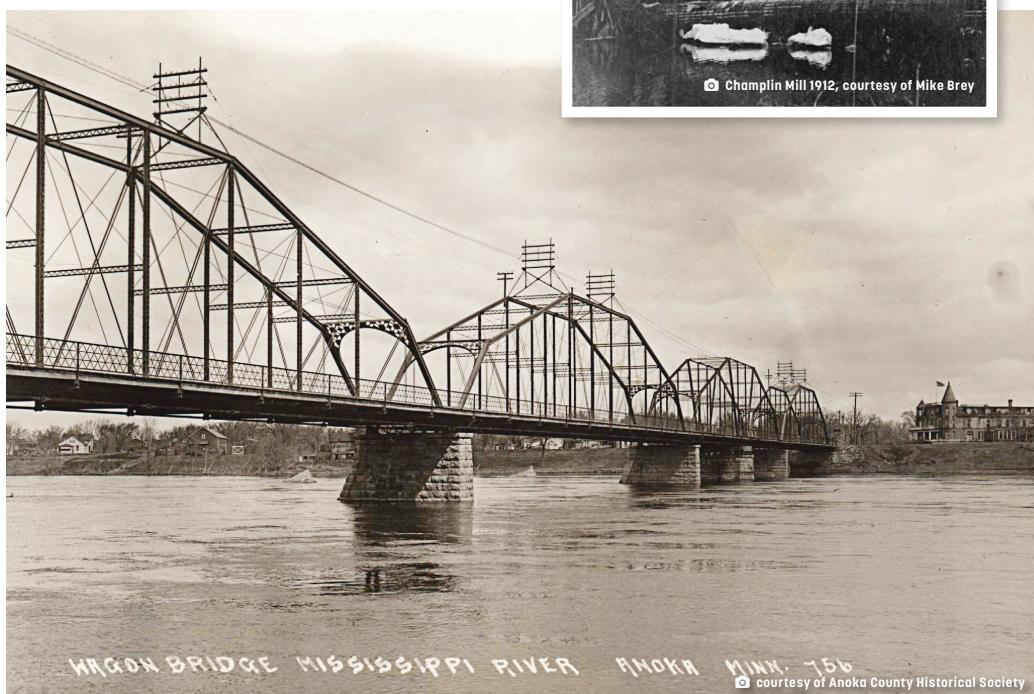

The name Champlin came from the family name of U.S. Navy Commodore Stephen Champlin. He was active in the war against England and Canada in 1812 and in the establishment of the Canadian-United States boundary. The commodore's daughter was married to John B. Cook, a partner of Minnesota's Alexander Ramsey. Although Cook was never a resident of Champlin, he was involved in real estate transactions here and in the incorporation of Champlin.

In 1947, a portion of the old Township of Champlin was incorporated to form the Village of Champlin. The Township of Champlin and the Village of Champlin consolidated as the result of a petitioned order from the Minnesota Municipal Commission to form the City of Champlin. The first election was held November 3, 1970. Josephine Nunn was chosen as the first mayor of the "new" City.

Champlin is located in northern Hennepin County on the west bank of the Mississippi River, about 17 miles northwest of Minneapolis. The average elevation is 875 feet above sea level, and the Mississippi River is approximately one-eighth of a mile wide. The City is approximately eight square miles in size. It is bounded by the Mississippi River on the east and north, Brooklyn Park on the south, and Dayton, Maple Grove, and the Elm Creek Park Reserve on the west.

# 2023 IMPROVEMENT PROJECTS

The city is moving forward with street and utility improvements as shown on the map. The project includes street reconstruction, spot replacement of curb, trail replacement, and utility improvements. Construction is anticipated to occur between May and October. Construction activities will be phased to limit disruption. If you live in or near these

project areas, please sign up for project emails by emailing [champlinprojects@usbeng.com](mailto:champlinprojects@usbeng.com) and include 2023 Street and Utility Project along with your address in the subject line. This is the most effective way to receive project information and communicate your questions and concerns as construction begins and progresses. As construction schedules become known, letters will be mailed to residents with more information on activities, schedules, and contact info.

To learn more, visit [ci.champlin.mn.us](http://ci.champlin.mn.us) and select Improvement Projects.

# INFORMATION & Services

## Building Permits

If you intend to build, remodel, or alter any building or structure, or make certain property improvements, a building permit may be necessary. Permits and inspections are required for electrical, plumbing, heating, and air conditioning installation. For more information, contact the Building Department at 763-421-2629.

## Cable Television

Quad Cities Community Television (QCTV) is the local cable television cooperative serving Champlin, Anoka, Andover, and Ramsey. You can watch City Council meetings, City commission meetings, and shows dedicated to local topics. QCTV hosts a website [www.qctv.org/champlin](http://www.qctv.org/champlin) and City meeting broadcasts are posted online. You can contact QCTV at 763-427-1411.

## Homestead

Property owners must complete the homestead process online at [www.hennepin.us/residents/property/homestead](http://www.hennepin.us/residents/property/homestead). If you own other property in which a relative is living, that property may qualify for a homestead classification. Contact the Hennepin County Assessor's Office at 612-348-3046 for complete qualifications.

## Home Occupations

You do not need a license to operate a home-based business. You do need to follow parking, signage, noise, and other ordinances. If you have questions, contact the Associate Planner at 763-923-7104.

## Water Issues

**If you experience discolored water, please perform the following process:**

- Go to the lowest level and run cold water full force for 3-5 minutes.
- When the water runs clear, turn on other faucets and run until clear.
- If the hot water is discolored, you may need to drain your water heater.
- If your water remains discolored after trying these methods, contact the Utilities Department at 763-421-0154, Monday through Friday 7 a.m. – 2:30 p.m. After hours, contact Hennepin County Dispatch at 952-258-5321.

**For issues with low pressure or no water:**

- First, verify that it affects all faucets.
- Then check an outside spigot. If there is normal pressure, you may have a restriction in your water softener. Bypass the water softener.
- If the condition remains, contact the Utilities Dept.

## Sewer Backup

If you experience a sewer backup, please contact the Utilities Department at 763-421-0154, Monday through Friday 7 a.m. – 2:30 p.m. After hours, contact Hennepin County Dispatch at 952-258-5321.

## Sewer Line Cleaning

Residents who have their sewer service lines cleaned or root cut should notify the Utilities Department at 763-421-1054. An inspection of the City sanitary sewer main after the work is completed may identify potential flow issues, created from the debris removed during the maintenance. Following this procedure will help to reduce unnecessary city sanitary sewer main blockages and backups.

## Summer Lawn Sprinkling Rules

The mandatory odd/even sprinkling ban becomes effective May 1 and continues through Labor Day.

The ordinance prohibits watering between 10 a.m. and 7 p.m.

### ODD-EVEN CALENDAR SPRINKLING

- Odd numbered addresses may only water on odd calendar days and even addresses on even days.
- Days begin and end at midnight.

- Children can run in the sprinkler anytime, but please do not leave the sprinkler running or abuse this privilege.

## Snow & Ice Removal

The start time for snow removal varies depending on conditions and starts at a time deemed necessary by Public Works to ensure that "primary" arterial streets are passable by morning rush hour.

Minnesota Statutes 160.42 and 169.42 prohibit depositing snow onto public roadways. Property owners and/or occupants of any property adjacent to a public sidewalk are required to keep it free from ice and snow within 48 hours after the precipitation has ceased to fall. Residents are also encouraged to clear fire hydrants on or near their property and remove garbage bins and basketball hoops from the street during snow removal operations.

## Single Sort Recycling

A recycling cart is provided to all homeowners. Recyclable materials may be placed into the cart without sorting. If your cart becomes damaged or lost, please contact Utility Billing for a replacement at [UtilityBilling@ci.champlin.mn.us](mailto:UtilityBilling@ci.champlin.mn.us).

## Collection

Recycling is collected the same day of the week as your refuse; however, it is collected every other week.

## Cart Storage

Recycling and refuse containers must be properly stored in accordance with City Code Chapter 46-Solid Waste, Section 46-21(c). Carts may be stored inside, in the side yard, or in the back yard without screening. They may not be stored in the front yard.

## Yard Waste Disposal Options

Contact your hauler directly to sign up for curbside service. There is the option of full season, half season, and one-time pickup. If you do not know which hauler you have been assigned, contact the Utility Billing Department at [UtilityBilling@ci.champlin.mn.us](mailto:UtilityBilling@ci.champlin.mn.us).

## DROP-OFF SITE – FREE TO CHAMPLIN RESIDENTS WITH ID

*Disposal at the Maple Grove Yardwaste site continues to be free for Champlin residents with proper identification. The entrance to the site is on Maple Grove Parkway opposite 105th Avenue North. The site address is 10300 Maple Grove Parkway N, Maple Grove, MN 55369. Check their website for seasonal hours and information at [www.mgyardwaste.com](http://www.mgyardwaste.com).*

# WASTE SORTING

## Organic

The City of Champlin is working on implementing a low-cost Organics Recycling Program. Currently, residents who are interested in organics recycling should contact their hauler directly to order service. Customers will receive a cart for organics and collection will be weekly on Fridays. The haulers will bill the customer directly. The price of the service is \$60 per month but may be reduced as the number of participants increases. Hennepin County residents can also drop off organics for free recycling at the Hennepin County Recycling Center in Brooklyn Park.

## WHERE TO TAKE RECYCLING AND BULK ITEMS

The Hennepin County Drop-Off site in Brooklyn Park offers an extensive list of items accepted either at no charge or for a nominal fee. Their hours and prices are posted online.

# Utility BILLING

## Billing

Water, sewer, garbage, recycling, streetlights, and storm water services are billed the first week of each month.

## Owners of Rental Property

The City will bill renters of properties in Champlin as a courtesy service. However, any unpaid charges imposed against occupants/renters of the rental property remain the responsibility of the property owner.

## Vacating a Property

If you are planning to vacate your home, you are encouraged to notify the City utility billing office to request a final meter read. If the heat supply is also being shut off, it is highly recommended that the water service be turned off at the curbstop (street).

## Round-Up Program

Consider rounding your bill up to the next dollar to support Parks & Recreation sponsored activities, events, and programs in our community. Sign up online by using the Utility Billing icon.

## Garbage Services

The City has contracted weekly collection with Champlin Refuse Inc. (CRI), a consortium of two companies, each assigned to a specific territory for single-family homes through four-unit townhouses. Owners of larger residential complexes and commercial buildings are required to contract directly with a service provider for garbage and recycling services.

Because the City processes billing, please contact us when setting up new service, moving out of your home, or changing cart sizes. For lost or damaged carts, use the **Replace/Exchange My Refuse Bin** form found online to get one free replacement. Residents should contact haulers directly for service questions such as a missed pickup or if the cart wasn't emptied.

# A Homeowner's Guide to Building Permits

If you are planning your own project, here is the information you'll need for obtaining a permit.

**WHEN IS A PERMIT NEEDED?** A building permit gives you legal permission to start construction of a building project in accordance with approved drawings and specifications. Building permits are needed to construct, alter, repair, move, convert, or demolish any building or structure except as exempted within city code. Building permits must be obtained prior to commencement of work.

**THE PERMIT** Once you have been approved for a permit, you have legal permission to start construction. An experienced code official is available to you should you have any questions concerning your project. You should consider your code official as an ally who will help you make your project a success. Normally, separate permits are required for electrical, plumbing, and heating or air-conditioning work.

**REVIEW PROCESS** The Building Official and/or Building Inspector will review your plans and determine if your project is in compliance with local requirements. If your plans meet these requirements, a permit is issued. If not, the code official may suggest solutions to help correct the problem.

**JOB SITE VISITS** On-site inspections will be required to make certain the work conforms to the permit, local codes, and plans. Again, you will have access to the expertise of the code official to help you with questions or concerns regarding the project and to ward off potentially costly mistakes. The code official will let you know approximately how many inspections may be needed for your project. Usually, a one- or two-day notice is needed when requesting visits.

**FINAL APPROVAL** The code official will provide documentation when construction is complete and code compliance is determined. You will then have the personal satisfaction of a job done right. Enjoy your new surroundings with the peace of mind and the knowledge that they meet the safety standards in your community.

# CITY ORDINANCES FOR Public Safety

## Curfew

The City of Champlin enforces a nighttime curfew for persons under the age of 18 with the following restrictions:

**JUVENILES UNDER THE AGE OF 12:** Sunday through Thursday, home by 9 p.m. and Friday and Saturday, home by 10 p.m. unless accompanied by a parent or guardian

**JUVENILES 12-14 YEARS:** Sunday through Thursday, home by 10 p.m. and Friday and Saturday, home by 11 p.m. unless accompanied by a parent or guardian

**JUVENILES 15-17 YEARS:** Sunday through Thursday, home by 11 p.m. and Friday and Saturday, home by midnight unless accompanied by a parent or guardian

## Dog Licenses

Licenses are required for all dogs over six months of age. Dogs must be leashed or under the control of a responsible person. Dogs running at-large will be picked up.

## Emergency Management Program

The Director of the Emergency Management Program is the Police Chief. There are six outdoor Early Warning sirens placed throughout the City to alert residents of a potential emergency situation such as a natural, technological, or biological event.

## Snowmobiles, ATVs, UTVs, and Dirt Bikes

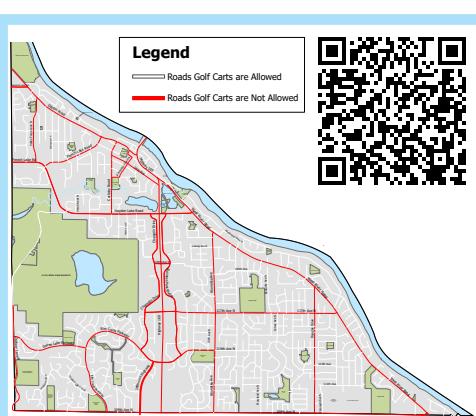

These types of vehicles may only be used on private lots and riders must adhere to certain standards. They shall not be operated on public property, streets, trails, or sidewalks.

## House Checks

If you are going on vacation, the police department tries to give extra patrol and house checks as time permits. Call the police department at **763-421-2971** and put your residence on the house check request list.

## FOOD TRUCK LICENSES

If you plan to have a food truck at a private gathering or graduation party this year, the food truck needs to be licensed with the City at least two weeks before the party. Registration forms can be found on our website. Scan code: [ci.champlin.mn.us/486/Licenses](http://ci.champlin.mn.us/486/Licenses).

## GOLF CARTS

A permit is required to operate a golf cart on approved city roadways in Champlin. Scan to apply for a permit through the police department.

[ci.champlin.mn.us/490/Golf-Cart-Permits](http://ci.champlin.mn.us/490/Golf-Cart-Permits)

## PARKING LOT EXCHANGE ZONE

In response to questions about safe locations for the exchange of items purchased through internet garage sale type sites, the Champlin Police Department installed additional surveillance cameras and created an "Exchange Zone" in our parking lot. The Exchange Zone can also be utilized as a child custody exchange site. Users should be aware that the site is under recorded video surveillance, but it is not actively monitored.

The Exchange Zone is on the east side of the police department parking lot, along Champlin Drive. It is marked by a green sign. We ask that you try to stay as close as possible to the area marked by the sign. That is where the camera coverage is the best and it will also be the least disruptive to other Police Department traffic.

If you have any questions about the Exchange Zone, please contact the Police Department at 763-421-2971 or [PoliceClerical@ci.champlin.mn.us](mailto:PoliceClerical@ci.champlin.mn.us). The police department address is 11955 Champlin Drive, Champlin, MN 55316.

## Parking Regulations

### No motor vehicle shall be parked within the City in the following places:

- On any public street or right-of-way between 2 a.m. and 6 a.m.
- Within 10 feet of a fire hydrant, in a public alley, or within 10 feet of a mailbox between 8 a.m. and 5 p.m., Monday through Saturday
- In the front yard or side yard except on a paved driveway
- Recreational vehicles cannot be parked within five feet of the rear property line. For a complete list of regulations, visit the city website.

## Vacant Building Registration

The Champlin City Council has adopted a Vacant Building Registration (VBR) program requiring vacant building owners to register their property. A vacant building is defined as a residential or nonresidential building that has been unoccupied for at least 60 days. Townhomes and condominiums are required to be registered as well. For more information on the VBR program, visit [www.ci.champlin.mn.us](http://www.ci.champlin.mn.us) or contact [rmcMahon@ci.champlin.mn.us](mailto:rmcMahon@ci.champlin.mn.us) or 763-923-7196.

## Tall Grass and Noxious Weeds

Each property owner has the responsibility of destroying noxious weeds growing on their land. If weeds are not destroyed within a specific time limit, they will be destroyed by the City and the costs will be charged to the property owner. Noxious weeds include field bindweed (creeping jenny), leafy spurge, bull thistle, Canada thistle, sow thistle, plumeless thistle, purple loosestrife, musk thistle, and poison ivy. Grasses growing to a height greater than eight inches or which have gone or are about to go to seed are considered a public nuisance. To report an issue, contact [rmcMahon@ci.champlin.mn.us](mailto:rmcMahon@ci.champlin.mn.us) or 763-923-7196.

**THE CITY OF CHAMPLIN IS PART OF A JOINT POWERS FIRE DISTRICT** that shares fire services with the City of Anoka. This agreement began with Champlin in 1985. The Fire Department is a combination department with both full-time and paid-on-call firefighters. The fire chief, assistant fire chief, two full-time captains, and three full-time firefighters make up the full-time staffing with the assistance of a part-time fire department administrative assistant. The paid-on-call division consists of 45 firefighters who respond to calls when available. There are two stations, one in each city.

### Fire Code Inspections

The State of Minnesota has adopted the 2020 Fire Code, including the 2018 International Code, and the Minnesota State Amendments. This code is referred to as the Minnesota State Fire Code (MSFC). The intent of the Fire Code is to protect lives and property of the citizens of Anoka and Champlin. The fire department inspectors inspect businesses in both the cities of Anoka and Champlin.

### Carbon Monoxide

The fire department responds to many calls for carbon monoxide alarms sounding. Many of these alarms are due to malfunction, improper installation, or overly sensitive alarms. However, this is not always the case. Carbon monoxide is colorless, tasteless, and odorless, making it impossible to detect without proper equipment. Carbon monoxide poisoning is the number one cause of accidental poisoning in the U.S. Each year, 1,700 people are killed and over 10,000 others are treated or hospitalized. Symptoms may include headache, dizziness, shortness of breath, fatigue, and nausea. Often, these symptoms are confused with the common flu. Two questions may help you distinguish the difference: Are other members of the household experiencing symptoms? Do you feel better when you are away from home?

The fire department and state building code require the installation of carbon monoxide detectors within 10 feet of all sleeping rooms. These should be mounted according to the manufacturer's recommendations in the same areas as your smoke detectors, as a rule of thumb. Carbon monoxide detectors and smoke detectors should be tested monthly.

### Recreational Fires

City ordinance allows residents to have outdoor recreational fires. A copy of the ordinance or a highlight sheet is available by calling the Anoka-Champlin Fire Department at 763-576-2900. Here is an overview of the ordinance:

- Burning shall be allowed between 9 a.m. and midnight.
- The fire shall not exceed three feet in diameter and a flame height of approximately two feet.
- Only clean wood or charcoal may be burned. No burning of trash, leaves, or brush is allowed.
- Only approved starter fluids may be used to ignite the fire.

- A person knowledgeable in the use of fire extinguishing equipment must constantly attend the fire, and an attendant must supervise the fire until the fire has been totally extinguished.
- Fire extinguishing equipment such as buckets, shovels, or garden hoses must be readily available.

- The fire must not be conducted within 15 feet of any structure or property line, or combustible material.
- Outdoor burning must be contained in a fireplace/fire ring.

## Redistricting

The City of Champlin completed redistricting, a process that happens once every ten years. As the population changes, it is important to redraw ward and precinct boundary lines to balance them by population. Redistricting is also the process of redrawing boundaries of election districts, from local precincts to U.S. Congressional districts.

As a result of state redistricting, Champlin will now be in State House Districts 34A and 34B. This results in Ward 4 being split into two precincts, to allow for two legislative districts. Ward 4 residents living on the west side of Douglas will be in Precinct 1 and Ward 4 residents living on the east side of Douglas will be in Precinct 2. Please note, the Ward 4 polling location will remain at Jackson Middle School. Both Precincts 1 and 2 will vote at Jackson Middle School, but in separate gyms.

# MISSISSIPPI CROSSINGS

CHAMPLIN, MINN.

**THE MISSION OF MISSISSIPPI CROSSINGS**  
to activate the riverfront for residents and provide a place to gather as a community has been (mostly) accomplished! After more than two decades of planning, Champlin's riverfront venue will be one of the area's premier destinations for recreation, entertainment, celebrations, and much more.

Located in the heart of town south of the Anoka-Champlin Bridge, Mississippi Crossings encompasses 16 acres along the river. In the mid-1800s, the Crossings provided a landing for steamboats and the Anoka-Champlin Ferry Service and grew to become a vibrant central business district. In more recent years, the area was known for obsolete commercial structures, dilapidated apartment buildings, and vacant lots.

The process of rejuvenating the area began more than two decades ago and has culminated in the stunning venue you see now. Residents can look forward to many events this year, including live music in the outdoor performance area (OPA) Thursdays this summer and the farmers market on Tuesdays in the parking lot.

Make plans to rent a pontoon and spend the day enjoying the scenic river views. Your Boat Club will continue to provide residents with meaningful access to the Mississippi at 20% off. To use the discount, visit [yourboatclub.com](http://yourboatclub.com), select Champlin, find a day and time that works for you, put the boat in the cart, add the promo code `champlinresident20`, and complete payment.

We're not done yet! Plans for the year include adding a riverfront restaurant, deli, and concessionaire to the Mississippi Crossings amenities. Watch the website for updates.

**FOR MORE INFORMATION** about all that Mississippi Crossings has to offer, visit the city's website at [ci.champlin.mn.us](http://ci.champlin.mn.us) or [mississippicrossings.com](http://mississippicrossings.com).

# ThreeRivers PARK DISTRICT

THREE RIVERS PARK DISTRICT SERVES OVER 12 MILLION VISITORS annually and manages 27,000 acres of park reserves, regional parks, regional trails, and special-use facilities.

There are facilities and activities for every season: picnicking, swimming, play areas, boating, fishing, downhill skiing, snow tubing, snowboarding, golfing, and camping.

Three Rivers has developed an extensive trail system for hiking, biking, in-line skating, horseback riding, mountain biking, cross-country skiing, and snowshoeing. Three Rivers also offers outdoor recreation and education programs for all ages.

## REGIONAL TRAILS

The Rush Creek Regional Trail is nine miles of paved trail linking Elm Creek Park Reserve to Coon Rapids Dam Regional Park in Brooklyn Park.

The 15 paved miles of the Medicine Lake Regional Trail are great for hiking and biking and connect Elm Creek Park Reserve with Fish Lake Regional Park. The trail also connects to French Regional Park and the Luce Line Regional Trail.

## ELM CREEK PARK RESERVE

*12400 James Deane Parkway*

The largest park in Three Rivers, Elm Creek features amenities for all seasons. The Elm Creek Winter Recreation Area is home to lighted cross-country ski trails, a tubing hill, and a downhill ski and snowboard hill with terrain park and snowmaking. The swim pond, expansive play area, and fenced dog off-leash area are popular destinations. Its 18-hole disc golf course, archery range, and 12-mile single track mountain bike trail attract those seeking a challenge. The 19 miles of paved trails make it a great place for hiking and biking.

## EAGLE LAKE REGIONAL PARK

*11000 Bass Lake Road*

Located on the border of Maple Grove and Plymouth, the 230-acre park is home to the Eagle Lake Youth Golf Center featuring a 9-hole course, a lighted driving range,

a pitch-and-putt course, and an 18-hole mini-golf course. Golf lessons for all ages and ability levels are available through Three Rivers Golf Academy. In addition to golf, the park also offers hiking, biking, cross-country skiing, and snowshoeing.

## FISH LAKE REGIONAL PARK

*14900 Bass Lake Road*

This park offers a variety of recreational activities in a wooded lakeside setting. Water enthusiasts enjoy swimming, canoeing, stand up paddleboarding, kayaking, and fishing. You'll also find hiking and biking trails, picnic areas, and a rental pavilion. Fish Lake Regional Park is home to one of Three Rivers' nine popular dog off-leash areas where your furry K-9 friend can run free. This park is especially scenic in the fall, when blazing maples reflect on the lake, creating a picturesque setting for your outdoor fun.

## EASTMAN NATURE CENTER

13351 Elm Creek Road

Nestled in the “Big Woods” maple forest of Elm Creek Park Reserve near the banks of Rush Creek, Eastman Nature Center is a great place to begin your outdoor journey. The center has something for everyone with hands-on activities, live animal exhibits, a quiet reading room, and bird observation areas. Public Wi-Fi, meeting rooms, educational programs for families, school groups, and birthday parties are all available. There are miles of hiking and snowshoeing trails and the bike trail connects to the front door of the nature center. Children are encouraged to dig, climb, and build forts in our designated Nature Exploration Area for a bit of wild fun. Visitors may see trumpeter swans, white-tailed deer, wild turkey, painted turtles, bluebirds, and abundant native wildflowers.

**DAYTON IS A COMMUNITY WITH A RURAL FEEL** and the advantage of being close to the city. Dayton's motto has become "Live the difference."

As a historic community along two rivers (the Crow and Mississippi), Dayton has been a great place to live and raise a family for over 150 years. With a variety of parks, including the majority of Elm Creek Park Reserve, Dayton has always been a destination for those who enjoy the outdoors. Elm Creek Park features the Eastman Nature Center with ski and tubing trails in the winter and biking and hiking trails in the summer.

Dayton also boasts a total of 10 lakes and two golf courses within its borders. Hunting and fishing have been a part of the Dayton lifestyle for generations, as have farming and horses. But don't let the rural feel fool you. Dayton is seeing some impressive new neighborhoods and high-quality business expansion as well. With close connections to I-94 and State Highways 169 and 101, Dayton is the gateway to Minnesota's great northern recreational areas. The City completed work on the Dayton Parkway Interchange in the fall of 2022.

Dayton has long had a sense of community. We hope you find this resource guide to be helpful. If you have other questions about the City or its services, please call City Hall at 763-427-4589.

### Dayton Historical Society

The Dayton Historical Society was formed in 1999 to help gather information regarding Dayton. The Historical Society is not part of the City of Dayton. If you have information, pictures, artifacts, or other historical information regarding the City of Dayton or the area, please leave it at City Hall or the Dayton Historical Society. The

Dayton Historical Society meets periodically. Contact Tim McNeil for information at 612-730-9312.

**ABOVE:** The first automobile in Dayton (1913). Owned by Ed Carrow, who also owned a jewelry store in town.

# OUR Past

**THE CITY OF DAYTON** is located at the northwestern corner of Hennepin County, with a small portion of the City on the very eastern side of Wright County. The Mississippi River flows along the City's northern boundary, and the Crow River lies on the western boundary. Dayton is a developing community with documented historical roots reaching back to the year when Minnesota became a state.

A majority of the initial group of settlers in Dayton were predominantly French, and some were of Irish, Scottish, and German descent. Many descendants of the original settlers still live in Dayton and surrounding communities.

The City was named for Lyman Dayton, who completed platting for the area often referred to as our Historic Village. While there were many important pioneers in Dayton's early years, a few notable names can be seen to this day in our parks and street names, including Baxter, Robinson, McNeil, and Goodin.

The farmland surrounding the village was once considered a township, and a Town Hall was constructed on land donated by the Dahlheimer family. The Village of Dayton and Dayton Township eventually joined together, forming the City of Dayton, which was incorporated in 1975.

St. John the Baptist Church (located in the Historic Village) has been an important cornerstone of Dayton's history for over a century. Many years ago, the Church compiled a cookbook containing not only recipes, but also historical information and stories from Dayton's earliest families. Copies are available at Dayton City Hall, or directly through the office of St. John the Baptist Church. Additional information on Dayton's history can also be found through the Hennepin County Historical Society.

## CITY EVENTS in 2023

RESIDENTS CAN EXPECT A LOT OF THE SAME GREAT EVENTS, BUT WITH SOME ADDITIONAL FUN AND EXCITEMENT, INCLUDING:

### MAY 17 | 5-7 PM CITY OPEN HOUSE & VEHICLE ROUNDUP

Bring the whole family and learn what your City departments have been up to while you enjoy games, prizes, food, fun, and more. The City Staff corral several City vehicles and big trucks for kids to explore, and a hot dog luncheon is served!

### STEP TO IT COMPETITION

Dayton is blessed with rolling hills, green pastures, and beautiful vistas overlooking the Mississippi and Crow Rivers. A total of 10 lakes can be found within Dayton's 25 square miles. We are a City of expansive open parks and trails with well placed residential and commercial development.

## Governing Body

The City of Dayton is governed by a Council consisting of a Mayor and four Council Members. The City Council meets twice each month at 6:30 p.m. at Dayton City Hall. See City website for meeting dates.

The City has two advisory commissions to assist the Council in the decision-making progress. The Commissions – Park and Planning – meet once per month, or as needed, and consist of residents of Dayton.

The City has an EDA/HRA Commission which consists of two Council Members and five Community Business Members.

## City Newsletter

*Dayton Communicator* is the City's newsletter. It is now published six times per year and mailed to residents. It is also available on the City website. This provides the latest updates on City projects and activities. Community activities can be found on the City's website as well as our City's Official Facebook page.

# CITY Information

**DAYTON IS COMPRISED** of approximately 25 square miles located 30 miles northwest of Minneapolis and 40 miles northwest of St. Paul.

The City of Dayton is classified by the Metropolitan Council as an "Emerging Suburban" community. Emerging Suburban communities are the cities in which a substantial amount of the region's growth will occur – about 60 percent of new households and 40 percent of new jobs.

As the metropolitan area has grown, Dayton has begun to serve as a suburban bedroom community for an increasing number of residents. Many of Dayton's residents find employment outside of the community in Minneapolis, St. Paul, or nearby Maple Grove, which has experienced significant employment growth in recent years. A large portion of Dayton's residents are young families with children.

Dayton also provides a wide variety of recreational opportunities for residents. The Elm Creek Park Reserve makes up a large portion of Dayton. The Mississippi and Crow Rivers provide additional recreational opportunities and are significant natural features of the community.

These features provide important ecological and recreational benefits for the community and the region. Residents also take advantage of Dayton's vast open spaces for snowmobiling and other recreational activities.

Currently, Dayton is largely a rural community with a relatively small population and large agricultural areas. Dayton has a Historic Village area where many of the first developments in Dayton occurred. The Historic Village is located in the northwest corner of the City, near the confluence of the Crow and Mississippi Rivers.

The City of Dayton has a range of community services and facilities to serve its residents including Fire, Police, and Public Works Departments and an elementary school. Learn more about the departments and public safety on page 41.

## DEVELOPMENT OPPORTUNITIES

*Dayton has a unique pattern of development with intervening forces creating growth in three corners of the City. In the northwest, moderate density development is guided adjacent to the Historic Village.*

### RESIDENTIAL DEVELOPMENT

Dayton is home to 8 residential subdivisions currently under construction: Balsam Pointe, Cypress Cove, Ione Gardens, Brayburn Trails, Diamond View Estates, River Hills, River Walk, and Sundance Greens. In 2022, 400 residential units were permitted in the City; 252 of these units were single-family homes, and 148 of the units were from attached townhomes.

### DAYTON BUSINESSES

Dayton has attracted a number of businesses to our commercial and industrial areas located along the junction of County Highways 81 and 101. New businesses include Graco, Alro Steel, and CRG. We are proud of our businesses and are committed to continuing to attract new commercial development and the expansion of existing businesses in the I-94 Dayton Parkway interchange area.

### COMMERCIAL/INDUSTRIAL DEVELOPMENT

As Dayton's population continues to grow and with the completion of the Dayton Parkway Interchange, the City looks forward to seeing more commercial and industrial growth. The industrial and commercial growth took off in 2022 with just over 2,500,000 sq ft of new buildings of both types were approved and began construction.

2023 has not slowed down yet with 3 additional new commercial developments currently in progress and looking for approvals. The City continues to see more interest in business development and this has accelerated with the opening of the Dayton Parkway Interchange.

**OUR COMMUNITY IS A LEGALLY ESTABLISHED CITY** under the laws of Minnesota. A Mayor who serves a two-year term and four Council Members who serve four-year terms govern the City of Dayton. City elections are held in the fall of all even-numbered years. Council Members serve the community at large; there are no wards.

The four Council Members and the Mayor are responsible for approving operating and capital improvement budgets, employing City workers, establishing City regulations and ordinances, maintaining public facilities, and planning for the City's future.

Council meetings are held twice a month at 6:30 p.m. in the City Hall Council Chambers, 12260 South Diamond Lake Rd., Dayton, MN 55327. All meetings (with the exceptions limited by law) are open to the public. During the Council meeting, there is a designated time at the beginning of the meeting called Open Forum when the general public may speak to the Council about items not listed on the Council agenda. The Council will not take action regarding Open Forum issues until a later Council meeting or may refer the issue to staff. All meetings are provided via livestream for the general public to watch live. Additionally, all meetings are available on the City's YouTube Channel.

## Dayton Planning Commission

**Members are:** Ryan Maltzen, Darren Brownen, Jon Sevald, Paul Crosland, Peter DeMuth

**Council Liaison:** Dennis Fisher

The Planning Commission meets the first Thursday of the month, as needed, at 6:30 p.m. The Commission helps implement City plans by making recommendations to the City Council on long-range planning issues such as land use and transportation. It also advises on matters such as changes and

enforcement of the Zoning Ordinances, City Comprehensive Plan, and Zoning Map.

Most resident contact with the Planning Commission comes from the Public Hearing for Conditional Use Permits and variances from the Zoning Ordinances. The Commission forwards the information from these hearings along with its recommendations to the City Council for final action. At this time, the City consults with Landform for planning services.

## EDA/HRA Commission

The EDA/HRA meets the third Tuesday of the month, as needed, at 7:30 a.m.

**Commission Members are:** Tim Huttner, Jim Berge, Jack Bernens, Juan Peralta, and Shawn Luther

**Council Liaison:** Scott Salonek, David Fashant

## Dayton Park Commission

**Park Commission members are:** Doug Baines, Dave Pikal, John Knutson, Jack Prom, and Keri Lindgard

**Council Liaison:** Matt Trost

The Dayton Park Commission meets the first Tuesday of the month, as needed. The Park Commission is comprised of five citizens from the community who are appointed by the City Council for three-year terms. The Park Commission handles issues regarding the City parks and makes recommendations to the Council.

# CITY DEPARTMENTS & Public Safety

## Administration [763-427-4589](tel:763-427-4589)

Administration links all other operating departments and all City staff with the City Council. The City Administrator is responsible for implementing City Council policies and managing the daily operations of the City government including: preparation of annual budget, legislative agenda, human resources, economic development, and transportation development. The City Administrator and other members of the department prepare City Council and EDA agendas and official minutes and keep the Council informed on City issues.

Administration is also responsible for the coordination of elections, licensing, the City newsletter, special assessments, planning, zoning, and engineering.

## Finance

The Finance Department handles all of the City's finances. Other duties include preparing the City's comprehensive annual financial report, accounting and auditing, receipts and disbursements, cash management, investing City funds, utility billing, administering payroll, and employee benefits.

## Public Works Department

[763-427-3224](tel:763-427-3224) | 13700 Zanzibar Lane, Dayton

**HOURS** Mon. - Thurs. 7 a.m. - 4:30 p.m. Fri. 7 - 11 a.m.

The Public Works Department is responsible for road maintenance (including snowplowing, sanding, sweeping, striping, street signs, seal coating, and pothole patching), storm and sanitary sewer, water, City vehicles, some engineering work, and all City park and building maintenance.

## POLICE DEPARTMENT

[facebook.com/daytonmnpolice](https://facebook.com/daytonmnpolice)

**Please call 9-1-1.** We encourage residents to call 9-1-1 as we do not have a staffed 24/7 non-emergency number.

The department has a Chief, Lieutenant, eight Patrol Officers, CSO, Office Manager, and an Administrative Assistant. The department also has a police reserve program with volunteer members available to assist the Dayton Police Department. The Department is responsible for law enforcement, crime prevention programs, and investigations. The Department also provides a number of community services such as Neighborhood Watch, National Night Out, and Operation Identification.

## Neighborhood Watch

counts on citizens to organize themselves and work with law enforcement to keep a trained eye and ear on their communities while demonstrating their presence at all times of day and night. Neighborhood Watch works because it reduces opportunities for crime to occur; it doesn't rely on altering or changing the criminal's behavior or motivation. If you are interested in joining the Neighborhood Watch or becoming a Neighborhood Watch Coordinator, please email [dmcalpine@daytonpolice.org](mailto:dmcalpine@daytonpolice.org) and include your address and any comments.

**Fingerprinting Information** The Dayton Police department provides public fingerprinting for Dayton residents only Monday-Friday from 8 a.m. - 4 p.m. Appointments are required and can be made by calling 763-427-2017. The cost is \$15.

## RECYCLING

Recycling days have changed based on your neighborhood. Please check the City website for a map of the schedule.

Dayton has a single-sort process for recycling. The City pays for residents' recycling through the general fund.

## Fire Department

**Non-Emergency:** 763-323-4001

**Emergency:** 9-1-1

### LOCATIONS

Fire Station #1

18461 Dayton St.

Fire Station #2

12260 S. Diamond Lake Rd.

The Fire Department was established to protect the citizens of Dayton and surrounding areas. The Department consists of a full-time Fire Chief and 26 paid on-call firefighters.

A full range of fire suppression, rescue, hazardous materials response, fire education, and fire code enforcement is provided by the Department.

### [Join the Fire Department](#)

Paid On-Call Firefighting is a rewarding and valuable way to serve your community. It takes dedication and many hours of training and education, but if you're willing to put in the time and effort, there is a place in our department for you. Interested candidates can view requirements and find an application on our website at [cityofdaytonmn.com](http://cityofdaytonmn.com). Email applications to Chief Hendrickson at [ghendrickson@cityofdaytonmn.com](mailto:ghendrickson@cityofdaytonmn.com).

## PARKING PERMITS

Parking on streets in the City of Dayton is prohibited between the hours of 2 a.m. and 6 a.m. without a permit. Residents may obtain up to three permits free of charge. Residents can come into the Police department, with ID showing proof of residency, to fill out an application.

Dayton has two golf courses within the City. Sundance Golf Course is a Par 35, 9-hole golf course open to the public. Daytona Golf Club is an 18-hole golf course.

## Dayton Water Trail Project

The City of Dayton is working with MSA Professional Services to develop a designated water route intended to be used by canoes and kayaks. Water trails allow users the option to access the water safely by providing ADA-compliant access points. The planning effort will not only provide safe access but will connect paddlers to businesses in Dayton for food and drink, rentals, and sporting gear as well. The four bodies of water under consideration for part of the trail include the Mississippi and Crow rivers and Diamond and French lakes.

## Park Reservations

If you wish to reserve one of the City park pavilions for an event, please call 763-427-3224.

## Trail Access to Elm Creek Park

Dayton has three access points into Elm Creek Park. The access points are located at Pineview Lane and 129th Avenue through the new roundabout and an at-grade crossing at Jonquil Lane and 129th Avenue. These entrances link directly into the Elm Creek Park trail system. A third at-grade access point is available at the intersection of Fernbrook Lane, Elm Creek Road, and Rush Creek Parkway, at the Sundance Greens and Sundance Woods developments.

# EXPLORE Dayton

### Hiring a Contractor

Make sure the contractor has a state license for residential construction. Check references and find out how long they have been in business in the area. Call the Better Business Bureau to see if any complaints have been registered.

The contractor should sign the application, making them guarantee the work meets the code.

### Doing the Work Yourself

Detailed plans of what you are proposing to construct are required. If your proposed work does not meet codes, it is easier to change it on paper than after you have built it.

Never dig on your property without first having Gopher State One Call locate the underground utilities (651-454-0002). This is a free service that may save your life.

#### A BUILDING PERMIT IS REQUIRED WHEN:

- Building or remodeling a house
- Putting up a shed larger than 200 square feet
- Installing a fireplace, wood stove, or chimney
- Finishing your basement
- Adding a garage or addition
- Window replacement
- Changing or installing heating or air conditioning
- Installing plumbing/new water heater or water softener
- Constructing a swimming pool
- Putting up a deck or porch
- Doing electrical work (electrical permits are through the state; call 763-241-2102)
- All commercial/industrial work
- Reroof/re-siding
- Fence
- Doors
- Water heaters
- Water softeners
- Furnaces

#### A BUILDING PERMIT IS NOT REQUIRED FOR:

- Hanging gutters
- Movable cases, counters, and partitions not over 5 ft. 9 in. high
- Retaining walls under 4 ft. 9 in. high
- Platforms and walks not over 30 inches above grade and not over a basement or story below
- Painting, wallpapering, or paneling
- Temporary stage sets and scenery
- Soffit, fascia, and trim
- Installing carpeting or other flooring
- Window awnings not projecting more than 54 inches
- Redecorating without structural change

## Honorable Mention

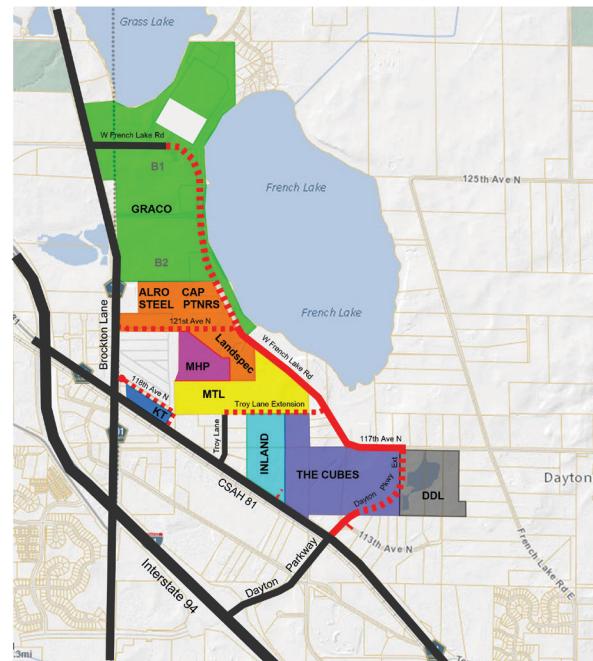

The City of Dayton received Honorable Mention for Project of the Year on the Interstate 94/Dayton Parkway Interchange.

# COMMERCIAL Development

**COMMERCIAL DEVELOPMENT** had a banner year in Dayton in 2022 with the **approval of seven new buildings**. These included the Graco distribution facility, Capital Partners spec warehouse building, Alro Steel manufacturing facility, Inland spec warehouse building, The Cubes spec warehouse building, Scannell spec warehouse building, and Kwik Trip gas station. All of these projects are in various development stages; however, it is expected that all but two (Scannell and Alro Steel) will be completed by the end of 2023.

One additional plat has been approved during 2023 for MTL at the end of Troy Lane. This is for two buildings; one is a distribution warehouse building and the other is an office building for Curbside Waste. Please visit the City website at [cityofdaytonmn.com](http://cityofdaytonmn.com) and visit City Projects to stay up to date.

## ANOKA-HENNEPIN SCHOOLS - ISD 11

The Anoka-Hennepin School District is one of Minnesota's largest, serving approximately 38,000 students and 248,000 residents. Spread out across 172 square miles, the district is made of 13 suburban communities north of the Twin Cities of Minneapolis and St. Paul. Anoka-Hennepin has 26 elementary schools, six middle schools (grades six through eight), and five traditional high schools, plus alternative middle and high school sites.

#### Community Education Serves Everyone

The award-winning Anoka-Hennepin Community Education Program, the largest in Minnesota, demonstrates that learning is a lifelong experience. The department offers opportunities for all ages, infant through senior citizen.

## OSSEO AREA SCHOOLS - ISD 279

Dayton is served by ISD 279 Osseo Area Schools, which is the fifth-largest school district in the state. The district serves more than 20,000 students, pre-kindergarten through grade 12, in 17 elementary schools (PreK-grade 5), four middle schools (grades 6-8), three senior highs (grades 9-12), an area learning center, two early childhood centers, two special program sites, and an adult education/enrollment center. Community education classes serve lifelong learners from birth through senior citizens.

## ELK RIVER AREA SCHOOL DISTRICT - ISD 728

The Elk River Area School District also serves parts of Dayton and is the eighth-largest school district in the state. Schools in Elk River, Zimmerman, and Rogers include 10 elementary schools, five middle schools, and four high schools. Community Education programs serve preschoolers to senior citizens.

## Why SHOP LOCAL?

*Supporting our  
community is critical.*

**There are many economic benefits from buying from retailers in your community. Instead of shopping online, we encourage shoppers to consider the many additional benefits of their shopping dollar when they use it at brick and mortar retailers.** Revenue goes back to the community through commercial property tax, payroll tax, state tax, and salaries. Shoppers can save the cost of shipping and handling while also touching and trying on merchandise when they step inside a store.

Other benefits include maintaining the diversity of the businesses in the community and supporting businesses that contribute to causes/nonprofits and provide jobs at good wages. Making sure that businesses in your community continue to thrive is a way to ensure innovation and low prices over the longterm through competition.

Shopping locally is one of the best ways to build a stronger, more prosperous community. So, remember to shop at the brick and mortar stores whenever possible this year!
