## [ Mayor's Corner ]

# Greetings, Neighbors!

By: Mayor Ryan Sabas

Hello, Champlin. It is my favorite time of the year. The weather's warm, the school year will soon be ending, and the Father Hennepin Festival is coming up in June. I have fond memories from growing up in Champlin about this special event that originally began in 1929. For many years it was not celebrated but was then brought back to life in 1976. This festival has taken place every year since then (with the exception of 2020).

When I was first elected to the City Council, I was excited to be able to promote Father Hennepin Days and see it evolve into an experience that all residents would love and want to stay in town for. I fondly remember the carnival rides like Tornado and Tarantula that my own dad would take me on. These rides were thrilling then, but I also realize how my dad must have felt being forced to ride them with me. I am a dad now, and my kids, too, insist I join them in the adventure. I want future generations to experience the crowds, the food, the fun, and all the excitement of the festival. My best memory, of course, is meeting my wife during Father Hennepin Days!

This festival has grown and has even more to offer in 2023. The carnival rides are still thrilling, but there is also the live music component which improves every year, fireworks, and the parade. We are offering new events this year. Come meet me and let us talk at the Mayor's Pancake Breakfast on Sunday, June 11 at 8 a.m. Show us your skills at the Talent Show on Sunday, June 11 at noon, and come play Family Trivia at 2:30 p.m. on Saturday, June 10. Check out the complete schedule to be sure not to miss your favorite activity or any of the new ones we are offering this year. I plan to see you there. Come out and have some Father Hennepin fun with me.

Our dentists offer the utmost care to moms, dads and kids of all ages.

## Community Development

You may have noticed construction along Highway 169. There are two projects that began this spring – a new gymnastics facility for Twin City Twisters and four additional condominium buildings in the Emery Village neighborhood.

- **Twin City Twisters** is a gymnastics facility that has served our community since 1987. They officially broke ground on a 40,000 square foot building, just south of Willy McCoy's. The anticipated completion of construction is in early 2024.
- **The Emery Village** neighborhood is gaining new neighbors. The property south of Goodwill began construction in March of 2022 and anticipates completion later this year. This property contains four 10-unit condominium units and will complete the residential area of the Emery Village neighborhood.
