--------------------------------------	--	-------------------------------------

Permit Fee The greater of A or B above \$ _____	State Surcharge \$ 1.00	Total Permit Fee \$ _____
---	-----------------------------------	-------------------------------------

Electrical Permits with a fee of \$250 or less expire 12 months from the date of issue. The owner must have work completed within the 12 month period or submit another permit application that includes the fee for the uncompleted work. *Reinspection fee is in addition to all other fees \$45. *Refunds must be requested in writing to Togle Inspections. No refunds on minimum fee or expired permits. Refunds are minus the City handling fee of 20%.

I hereby apply for an electrical permit and acknowledge that the information above is complete and accurate; that the work will be done in conformance with the ordinances of the City of Champlin and State Building Codes; that I understand this is not a permit but only an application for a permit and the work is not to start without a permit: that the permit work will be done in accordance with approved plans, specifications and codes.
