Sec. 126-270. Regulations of Cannabis Businesses.

(a) Purpose and intent. It is the purpose of this section to regulate the location of cannabis businesses, to create a buffer zone around various other nearby property uses. It is the intention of the city to promote the health, safety, morals, and general welfare of the citizens of the city and establish reasonable and uniform regulations to:

- (1) Prevent additional criminal activity within the city;
- (2) Prevent deterioration of neighborhoods and its consequent adverse effect on the real estate values of properties within the neighborhood; and
- (3) To locate cannabis businesses away from minors.

(b) Minimum buffer zones for Cannabis Businesses

- (1) The city shall prohibit the operation of a cannabis business within 1,000 feet of a school, as measured from the nearest property line of the school to the closest point of the property line of the building upon which the cannabis business is located.
- (2) The city shall prohibit the operation of a cannabis business within 500 feet of a daycare, including facility and in-home, as measured from the nearest property line of the daycare to the closest point of the property line of the building upon which the cannabis business is located.
- (3) The city shall prohibit the operation of a cannabis business within 500 feet of a residential treatment center, as measured from the nearest property line of the residential treatment center to the closest point of the property line of the building upon which the cannabis business is located.
- (4) The city shall prohibit the operation of a cannabis business within 500 feet of an attraction within a public park that is regularly used by minors, including, but not limited to a playground or athletic field, as measured from the closest point of the attraction to the closest point of the property line of the building upon which the cannabis business is located.
- (5) Pursuant to Minn. Stat. 462.367 subd. 14, nothing in Section 126-270 shall prohibit an active cannabis business or a cannabis business seeking registration from continuing operation at the same site if a (school, daycare, residential treatment facility, or attraction within a public park that is regularly used by minors) moves within the minimum buffer zone.

(c) Additional Regulations for Cannabis Businesses

- (1) Odor: Cannabis businesses that involve cultivation, manufacturing, wholesaling, transporting, testing facility, or a combination business shall submit an odor mitigation plan that outlines all odor emitting aspects of the business and mitigations to be implemented to ensure odor is not readily detectable beyond the

boundaries of the immediate site upon the establishment of the business and for the full duration of the business.

(2) Outdoor cannabis cultivation is prohibited for cannabis cultivators, microbusiness, mezzobusiness, and medical cannabis combination businesses.
