Enter into a Memorandum
of Understanding with
Hennepin County
Sheriff's Office to Provide
a Member for their
Emergency Response Unit
(SWAT)

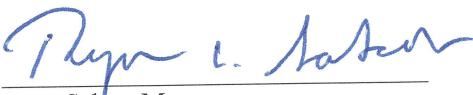

The Police Chief stated that the Champlin Police Department would like to enter into a Memorandum of Understanding with the Hennepin County Sheriff's Office for the purpose of providing an Officer for their SWAT team. This is not a full-time staffing request, but rather a program that affords our Department the opportunity to receive high-quality tactical training as well as real-world application of this training. If allowed to join their team, we would be one of possibly four other agencies to partner with the Hennepin County Sheriff's Department.

- It was the consensus of the Council to move forward on this item, and it will be on the Consent Agenda at tonight's regular meeting.
